The cost covers all five weeks of instructions and includes the training book and all the materials. Keowee Bowmen will provide Genesis compound bows, arm guards, finger tabs and arrows. Students may bring their own bow and arrows, etc if desired.

Upon successful completion, all students will receive a certificate of completion and an ASAP (After School Archery Program) shoulder patch with the ASAP logo on it. As the students achievement levels increase they can earn additional awards to compliment the initial patch. You can find more on the NFAA website.
