

# Keowee Bowmen – Indoor Archery League 2018

Clay Baldwin (864) 992-1928  
Gary Patterson (864) 506-2220

## General Information

- The club indoor league is a handicapped team shooting event that will start on January 9, 2018, at 7:00pm. Participants will shoot for 10 consecutive weeks, the first two of which will be to establish handicaps and teams.
- Everyone participating in the indoor league must sign a waiver form.
- The cost for participating is \$20 per person. One target per week is included in this cost. Additional targets can be purchased for \$0.35 each.

## Schedule

Week 1 – Vegas (handicap)	Week 6 – Five Spot
Week 2 – Vegas (handicap)	Week 7 – Five Spot
Week 3 – Vegas	Week 8 – Five Spot
Week 4 – Vegas	Week 9 – Five Spot
Week 5 – TBD	Week 10 – TBD

Please call Clay Baldwin or Gary Patterson if you will be unable to shoot one week. Failure to notify one of the two league managers the week of will result in a posted 15 point loss to your previous week's score with no change in handicap. Two missed weeks with failure to notify will result in disqualification.

We encourage you to shoot the week before a missed week if at all possible. Should you have to miss a week and a league manager has been notified, you will have 1 week to make up your score.

- Non-members please try to shoot your rounds on Tuesday or Thursday nights as there is a better likelihood that others will be shooting and the facilities will be open.

## Rules

- After week 2 each participant will be assigned a team based on handicap. All teams will be divided as to create near-equal ability teams.
- Before scoring, a shooter must declare that they will be shooting a round for score. Once declared, a shooter may not stop the round unless there is an equipment malfunction.
- Each scored round must be witnessed. Please shoot scoring rounds with others if possible.
- If you are the last person to leave for the night please ensure the lights are off and the heat has been turned off.
- Non-member participants will only be allowed to shoot ONE night per week (only indoors. No outdoor shooting for non-members). Please ask a fellow member if you are interested in joining Keowee Bowmen.
- If you were disqualified in last year's league, you will be considered an alternate shooter in this year's league. Meaning: you can participate but you're not guaranteed to be placed on a team.

## Handicap System

We will use an 80% handicap system.

$$\left[300 - \left(\frac{\text{Last 3 Scores}}{3}\right)\right] \times 80\%$$

## Awards

The Indoor Team Trophy which is kept in the clubhouse will be updated with the new Indoor League Champions' names. Individual medals will be awarded to each team member of the winning team as well.
